JOHN CLIFTON ALEXANDER, D.D.S., M.S.D.

Dr. Cliff Alexander is an Assistant Clinical Professor of Orthodontics at St. Louis University's Center for the Advanced Dental Education. He also maintains a private practice in Coppell, TX and Dallas, TX. Dr. Alexander earned his BBA degree from St. Edwards University and worked as a consulting firm in Santa Barbara, California. While there, he began to see the business side of dentistry, and realized dentistry could satisfy his goals in business as well as his first objective of being of service to people. Dr. Alexander received his dental degree at Baylor College of Dentistry, and his orthodontic training at St. Louis University. He is a member of numerous professional orthodontic and dental organizations.
